

Circular No: 2022-23/125

Dear Parent,

Greetings of the day!

“Be the change that you want to see in the World.”

-Mahatma Gandhi

St. Joseph’s has a vision to prepare useful, committed, empowered and enlightened citizens who can contribute meaningfully to the growth of our nation. To align with this we are organizing **“Investiture Ceremony”** in our school.

Our Prefectorial Board will help the School in various programs and activities like Annual Day, Sports Day, Teachers Day, etc. They also play a disciplinary role and help to remind fellow students of their conduct and behaviour.

We feel highly privileged to inform you that the school is organizing “Investiture Ceremony”. On this occasion we cordially invite you to be a part of the function as a proud stakeholder.

Warm Regards
